Dear Friends and Family,

I'm writing to you today because I wanted to share about the growing need of homeless children in Orange County. The Orange County Department of Education has identified 22,025 homeless children in our county. We've Got Your Back, a weekend nutrition program located in Buena Park, provides basic nutrition and nutrition education to a portion of these children. This year, the program has been given a unique opportunity to **double all donations to this program until December 20.**

Through the generosity of the Dhont Family Foundation, the program recently received a matching grant for \$25,000 to reach the goal of feeding 1,000 children. However, the program only has until December 20, 2009 to raise the first \$25,000 and fulfill the grant.

If you are considering making a gift to assist those in need during this holiday season, I'm asking you to consider giving your gift now so that it can be doubled. The \$25,000 will turn into \$50,000 and with that \$50,000 we will be able to **feed 208 homeless children and their families** (about 832 individuals) each week.

Help feed children right here in our community and provide healthier for them. You can donate online at [www.wgyb.org](http://www.wgyb.org), or mail your donation marked for WGYB in the notes to headquarters at 8332 Commonwealth Ave. Buena Park, 90621.

Thank you for anticipated support!

Sincerely,
